

A201 Silicone Spray Aerosol

Document version: Mar 20, 2024

Description

This silicone spray is a colourless and odourless product that protects against rust, dirt and moisture, with good lubrica-tion properties. MPM Silicone spray is very suitable as a lubricant for moving parts that comes into direct contact with mois-ture and is very suitable as a product that protects against the freezing of things such as locks, hinges and rubber door seals.
