## **NEW!** **MPM 08000RN Motor Oil 0W-16 Premium Synthetic RN**

MPM is launching a premium synthetic engine oil specially developed for the latest generation of direct-injected gasoline engines in hybrid models from Renault and various Asian car manufacturers.

The oil is formulated from high-quality base oils and a carefully selected package of additives. Its unique fuel-saving effect reduces CO<sub>2</sub> emissions and fits perfectly with the eco-friendly philosophy of hybrid vehicles.

This high-quality engine oil has a very good cleaning effect, with wear protective and long-lasting performance properties that keep the engine clean and efficient.
